The ushering in of Autumn has been a splendid sight to see and feel. The cooler breezes with the clear and lovely mornings and nights as the essence of change encompasses us.

At Conway we have also been able to hear the melodies of Fallin' in Love with Autumn as we have been rehearsing, with Orlando Sings, for the past several weeks for our upcoming concert on Tues, October 6th at 1:00p.

Hope to see you there.
If you and/or your loved one will be in attendance, we ask that you please wear an Autumn color (Red, Yellow, Orange, Green or Brown)

We also had a fresh experience with Dajah of Fusion Fitness, who injected us with some new exercise energy.
Another change we have is we had to say good-bye to Nurse Haydee in September. Now, in October we welcome Nurse Jesse.

This next season also includes some gathering time – holidays. We will be preparing to come together for our next Family and Friends Festivities, so please keep your eyes and ears open for the info about good food, good company, good times – making memories.

Please make sure to check out the full calendar available on our website
